Chief Executive Officer of the Securities Market
Shareholders of the Lao Culture Tourism Public Group Company

Subject: Explanation of the delay in disclosing the Company Group's Q3 2026 quarterly financial report on time.

- According to: Notice on the Periodic Disclosure of Financial Information for the Third Quarter of 2026 of Listed Companies on the Lao Securities Exchange, No. 1469/LSX, dated October 29, 2026.

Lao Cultural Tourism Public Company would like to report to you regarding the reasons why the company is unable to disclose its third-quarter financial report for the year 2026 within the prescribed deadline. Due to the fact that the company has recently implemented a plan to improve and develop its accounting and financial reporting systems in preparation for adapting to International Financial Reporting Standards (IFRS) in the future, this has resulted in a review of data collection procedures, accounting classification, and financial data preparation. In addition, the accounting department requires time to compile, verify, and thoroughly check the accounting database to ensure the accuracy and reliability of the financial reports. Consequently, the preparation of the third-quarter financial report for 2026 has been delayed and cannot be disclosed within the scheduled timeframe.

For this reason, the preparation and disclosure of the company's financial reports have been delayed and cannot be completed within the prescribed timeframe.

Regarding this issue, the company will expedite coordination with the relevant departments to complete the compilation and thorough verification of the financial database, and will proceed to disclose the financial report no later than November 19, 2026..

Therefore, this is submitted to you for your information and consideration of this clarification.

With respect and sincere regards

General Manager
