The Managements of EDLGEN - Solar Power Company Limited welcoming the Delegates, Banks and Financial Institutions and together with Journalists to visit the Solar Power Project

The Delegates from the Ministry of Energy and Mines, the Management team from Electricite Du Laos, directors of the Board from EDL-Generation Public Company , Banks, Financial Institutions and together with the Journalists visited EDLGEN - Solar Power Project, on January 25th , which is located at Chaengsavang village , Naxaithong district , Vientiane capital , 2017.

This Solar Power Project is the first Solar Farm in Laos, utilizing modern technology such as solar panels from TALESUN, with a capacity of 320 Watt per panel. About 9,600 panels were installed and connected to 22 kV transmission line system of Electricity Du Laos. The total project cost is USD 3,445,306 Million or approximately 27 Billion Kip. The project commercial operation date will be within the first week of February 2017.

After having studied and prepared for a while , EDL-Gen Public Company has raised fund for constructing of 3 MW EDL-Gen Solar Power Project, which is a project within the solar power expansion plan aiming to achieve a 100 MW goal of EDLGEN - Solar Power Company Limited. The company planned to supply solar power of 25 to 30 Megawatt in Vientiane capital. With a strong support of Ministry of Energy and Mines, Electricite du Laos, EDL-Gen has decided to invest for the pilot solar farm project with an installed capacity of 10 MW, as approved by Ministry of Energy and Mines. EDL-Gen has given the mandate to EDLGEN - Solar Power Company Limited, a joint ventures company which is 60% owned by EDL-Gen and another 40% stake owned by Pattana Energy Absolute Company Limited, to implement this project.
