EDL-GEN HANDS OVER ELECTRICAL EQUIPMENT, COMPUTERS, AND SYSTEM REPAIRS TO SISATTANAK LOWER SECONDARY SCHOOL

EDL-GEN

Representatives of EDL-Generation Public Company (EDL-Gen) attended a handover ceremony to deliver electrical equipment, computers, and electrical system renovation support to Sisattanak Lower Secondary School, located in Thongkang Village, Sisattanak District, Vientiane Capital on September 18, 2026

The handover was led by Ms. Chittana Keolavong, Assistant Director of Secretary and Corporate Governance Department, together with representative staff members.

The equipment was warmly received by the school administration, teachers, and student of Sisattanak Lower Secondary School, with the attending of representatives from Sisattanak District Educational office

This support initiative includes the provision of desktop computers, wall fans, ceiling fans, and essential electrical maintenance supplies to repair and upgrade the school's aging electrical wiring.

The project aims to enhance safety against electrical hazards, improve classroom ventilation and lighting, and support learning tools for about 300 students and teaching staff of the school.

This activity reflects EDL-Gen’s ongoing commitment to Corporate Social Responsibility (CSR), supporting local community development, and fostering educational opportunities for youth.
