EDL-Gen Nam Ngum 1 HPP organized the Awareness Raising on the Environmental & Social Conservation

On 3rd November 2016, EDL-Gen Nam Ngum 1 HPP organized the Awareness Raising on Environmental Conservation activity at Phonemee Secondary school, Viengkham District Vientiane Province. The purpose of this event is to increase the knowledge and skills of students to be aware of the important of natural resources, the preservation and the prevention of environment in order to maintain its sustainability for the next generation as well as the promotion of EDL-Gen. On the other hand, EDL-Gen Nam Ngum 1 HPP contribute the garbage bin and some educational materials to school for educational purpose.
