EDL-Gen New Website Launching

On 23 February 2018, EDL Generation Public Company (EDL-Gen) launched new website at Lanexang Center. This significant event was attended by more than 150 people including Deputy Minister of Finance, Deputy Minister of Energy and Mines, Managing Directors of EDL and EDL-Gen, Head of department, Deputy Head of department and related government officials, Business Partners, Journalists and EDL-Gen's employees. EDL-Gen has improved the website where everyone can follow at www.edlgen.com.la, with the purpose of improving its system in order to support its function in the website for new technology that has been changing every day and for the future innovation. The new version of the website contains information of the company from the inception to the present including the future plan.
