# ☀ STEPPING FORWARD TOWARD SUSTAINABLE GREEN ENERGY! EDL-GEN SIGNS MOU WITH CS TECH TO DEVELOP FLOATING SOLAR AND CARBON CREDIT PROJECTS

On 10 November 2025, in Vientiane Capital, representatives of EDL Generation Public Company (EDL-Gen) and CS Tech Co., Ltd. signed a Memorandum of Understanding (MOU) to jointly develop key energy projects.

This signing marks the beginning of cooperation in two main areas:

1. Development of Floating Solar Power Projects in hydropower reservoir areas.
2. Development of Carbon Credit Projects.

Participants at the signing ceremony included:

- From EDL-Gen: Led by Mr. Souksavath Sosoupanh, Managing Director of EDL-Gen
- From CS Tech: Led by Mr. Seo Dong-myeong, Managing Director of CS Tech

This collaboration represents an important step in enhancing the efficiency of hybrid power generation (Hydro-Solar Hybrid) and strengthening EDL-Gen's role in carbon trading. It contributes to the promotion of green and sustainable socio-economic development in line with the nation's environmental goals.
