EDL-GENERATION PUBLIC COMPANY (EDL-GEN) PARTICIPATES IN THE "OPPORTUNITY DAY 2026"

EDL-GEN

EDL-Generation Public Company (EDL-Gen) participates in the "Opportunity Day 2026" Seminar to present its 2025 operating, performance and business direction for 2026. The event was held On May 21, 2026, at the headquarters of the Lao Securities Exchange. EDL-Gen led by Mr. Souksavart Sosouphanh, Managing Director, together with the company's management team, who participated in the seminar organized by the Lao Securities Exchange.

The event was organized to provide an opportunity for listed companies to meet and directly exchange information with investors, both domestic and international, regarding their 2025 business performance and future business directions.

This presentation was conducted through a live broadcast on the Facebook page of the Lao Securities Exchange, allowing investors, shareholders, and interested audiences to follow and inquire about the information.

On this occasion, EDL-Generation presented information on its business performance, hydropower project management, energy development direction, and its vision for enhancing operational efficiency through the application of modern technologies to support sustainable growth and strengthen investor confidence.

The seminar also contributed to promote a more active and vibrant investment atmosphere and stock trading activities within the Lao Securities Exchange through investor relations activities
