Notify the fire incident at Lao ITECC

In the name of Lao World Public Co., Ltd, we would like to inform that: at 8:34 in the morning of 10 May 2019 at Lao ITECC, the fire occurred at a booth point 1 where inflammable products were stored which caused fire to rapidly spread to other shops. As a result, staff of Lao World rushed into the scene and tried to extinguish the fire by fire extinguishers but failed to do so. Later on, the fire fighters of Ministry of Public Security, Vientiane Capital total 7 fire trucks could, in 45 minutes, completely extinguish the fire.

For cause of fire, the relevant officers are in the process of investigation and research. Based on the initial presumption, the fire might be caused by electrical short.

Based on initial inspection of damage, 24 stores are damaged which is equivalent to 6% of total 382 stores. For detailed damage assessment, it is under investigation. Therefore, this message is for your information of the actual event.

Vientiane, date 11 May 2019
