Souvanny Home Center Public Company received the **Certificate of Honor for Outstanding Company, Category 1**, for its continuous contribution in supporting compliance with state obligations over the five-year period (2020-2024).

On Friday, October 31, 2025, at the National Convention Centre, Souvanny Home Center Public Company, a distributor of construction materials and home furnishings, participated in the awards ceremony and declaration of honors for outstanding establishments over the five-year period (2020-2024).

The awards ceremony was held to summarize the 2024 operating results and present certificates of honor to 35 companies with outstanding performance in Category 1. It was also held to commemorate the 75th Anniversary of the establishment of the Financial Sector (August 13, 1950 - August 13, 2025) of the Ministry of Finance.

Due to its continuous tax payments to the government, the company received the Certificate of Excellence in Category 1 from Mr. Santiphab Phomvihane, Central Party Committee Member, Secretary-General of the Party Executive Committee, and Minister of Finance. Mr. Phannola SOUKHABANDITH, Executive Vice President and Chief Financial Officer (CFO), accepted the award on behalf of Souvanny Home Center Public Company.

This substantial contribution underscores the company's commitment to national development. In addition to its direct tax contributions, Souvanny Home Center is dedicated to giving back to the community through its " SHARING BRINGS SMILE" project. This initiative, which began in 2015, has been running for nearly a decade. The company firmly believes that good business practices go hand in hand with creating benefits for society, fostering a culture of volunteerism and giving. These efforts contribute to the sustainable development of communities, the environment, and surrounding villages in various aspects.

This tax contribution is a significant contribution from all customers who use the services of Souvanny Home Center. Every customer is considered a major participant in supporting the socio-economic development of the nation, whether through investments in infrastructure development, educational development, public health, and social welfare to improve the overall quality of life for the people.
