No: 183/LCC
Vientiane Capital, Date: 13 JUL 2023

Subject: Report on the progress of the implementation of the Improvement and Rehabilitation of the company on 2nd quarter of 2023

- According to the Rehabilitation plan of the Lao Cement Public Company, no. 1958/MOD, date 21/4/2022.
- According to the implementation of the Improvement and Rehabilitation of the company s business dated 30/12/2021

Lao Cement Company (LCC) would like to report to you on the progress of the implementation of Improvement and Rehabilitation of the company since the company entered the business recovery process with the following details:

1. The company has proposed to modify the investment license to change the business scope, company name and determine the period of investment. It is in the process of research from the relevant parties.
2. LCC prepares a factory modification plan in the initial phase which has signed contracts with many design companies. At the same time, the Yunnan Design Institute has completed the survey of the factory location and is working on the design according to the plan.
3. Regarding the purchase of shares of the Lao-China Securities Company Limited and the minority shareholders are in the process of preparing the offer to purchase shares expected to be completed by the end of 2023.
4. Along with the construction project of economic tourism industrial and cultural zone in VangVieng district, the company has been active in developing business in various areas, seizing development opportunities for the development of the company with various aspects to move forward, such as:

- The construction project of the headquarters building of the Lao Tourism and Culture Company has started construction since April 2023. So far, the completion is based on the plan. The construction will be completed within the 12th month of 2023, with a height of 21 floors and a usable area of 18.000 square meters.

- The company has established subsidiary companies, namely: Lao Zhong ker Herb company Limited and Lao Town Construction and Development Company Limited.

Lao Zhong ker Herb company Limited will conduct business in agriculture, industrial plant cultivation and herbal medicine, with the goal of creating job opportunities and helping farmers to reduce poverty.

Lao Town Construction and Development Company Limited will conduct business in fundraising, investment, development, construction, business management of urban infrastructure and public projects of the state, production and distribution of new types of construction materials.

5. The equipment and machinery in the factory, through research from the Board of Directors, it is not agreed to relocate the equipment to a new industrial area because the location is not suitable.
6. The company has improved the organizational structure, employees, internal management system of the company to be suitable according to each job position in order to make the work more effective.

Therefore, we shall report to you for your information.

Sincerely yours,

Chief Executive Office

NIE LEI
