1. Lao Agrotech Public Company

Lao Agrotech Public Company ("Company") was established as a sole-proprietor limited Company on 29 July 2008, referring to Internal Investment License No 077/PIC.VTE. Originally fully owned by a Lao citizen, it had a registered capital of USD 100,000 and operated the businesses of providing integrated cultivation consultancy services, building farms and plantation and providing seedlings and crops.

Subsequently, on 4 May 2012, its registered capital stood at LAK 5,000,000,000. It was permitted to conduct integrated palm oil industry processing activities, e.g. construction of palm produce processing plants, bio-fertilizer production plants, vegetable oil filling plants, etc. Refer to Enterprise Registration Certificate No 0932/ERO.

On 28 August 2013, the company raised its registered capital to LAK 40,000,000,000 and was converted from a sole-proprietor Limited Company into a Limited Company. It was licensed to import-export and sell seeds, seedlings and produce of all descriptions, as well as Import-export and sell food products and drinks and import construction materials for construction of industrial and agricultural plants, vegetable oil filling machinery, machinery for extraction of sunflower oil and palm oil and other biodiesel-related machinery for use in chemical fertilizer production plants and materials for production of fertilizer. During a period of time, oil palm business started to be recognized and responded well to the people in the Company's Palm plantation project, which has palm plantation area more than 120 (one hundred and twenty thousand) ha in Eak Xang province, Phonhong district, Vientiane province.

On 12 November 2014, its share structure was changed it was 10% owned by Mr. Bounma Chanthavong (Lao), 5% owned by Mr. Oudom Keothavong (Lao) and 85% was owned by Mr. Zait Pattanamas(Thai). It introduced "2+3 project", which involved palm plantation activities in Xayabury province, and developed the second breeds that were suitable for cultivation in Laos.

On 17 May 2017 ("conversion Date"), it was converted into a Public Company under Lao laws. Refer to Enterprise Registration Certificate No 0424/ERO. Its principal office remained located in Wattainoithong village, Sikhottabong district, Vientiane Capital, Lao PDR. On the conversion Date, its registered capital stood at LAK 40,000,000,000. The Company was licensed by the Ministry of Industry and Commerce to import fuels and market biodiesel at the wholesale and retail levels, as well as import diesel oil for production of biodiesel only.

The Company operates a wide range of agro-processing businesses, focusing on oil crops that can be processed to produce food and fuel. Its main oil crop is oil palm. Its revenue-generating businesses that are connected with oil palm include.

- Production and supply of palm seeds and seedlings;
- Integrated management of oil palm;
- Production and supply of crude palm oil;
- Production and supply of biodiesel;
- Import of finished products for sale.
